Each year soon after school gets into full swing, seniors are given an opportunity to qualify for positions on the Aqualba Staff. Out of the number a staff is selected by Miss Maerzke and the work of putting the book together begins. The taking of pictures starts and assignments are made in preparing the art work and write-ups. As the date for going to press draws near there is increased activity all along the line with a mad rush at the end to finish on time.

By the time you read this, the work of the staff will have been completed. It is the hope of the editors that you will be pleased with their efforts and will find the 1950 Aqualba an adequate record of the year just finishing.

Freshman Class

On September 6, 1946, a class of freshmen numbering sixty-six entered City High School. The officers chosen under the guidance of Miss Krause and Mr. Wyse were Ralph Frisco, president; Rusty Fero, vice-president; and Donna Cooper, secretary-treasurer.

Many of our number were found in extra-curricular activities. A new organization known as the Junior Cheerleading Club was made up almost entirely of freshmen girls. Ray Steck became a senior cheerleader.

Our sophomore year found us with the reputation of the "do nothing" class. At our first class meeting we chose Jack Platner as president; "Bud" Ardelt, vice-president; and Ernie Regelein, as secretary-treasurer. We did manage to enter a float in the Homecoming parade, but it was agreed that it would win only a "booby" prize.

As we began one of our most important years in high school Miss Kanable was appointed to serve as adviser, along with Mr. Wyse. Ernie Regelein was elected president, with "Bud" Ardelt as vice-president and Lucille Nowak as secretary-treasurer. Our first big thrill was selecting class rings. The junior class was active in athletics, band, choir, G.A.A., F.F.A., Hi-Y, forensics, newspaper and debate. Pat Pieper and Shirley Elphick did their share of keeping the cheerleading going. The class sponsored several mixers, among them a novelty, the "Soc Hop." In April came the annual Junior Prom, the biggest event of the year. The theme, "Stairway to the Stars," was effectively carried out, with King Ernie Regelein and Queen Lucille Nowak reigning over the event.

Dorothy Hill and "Bud" Ardelt were presented spoon and spade respectively, by the class of 1949. Dorothy Hill attended Badger Girls' State at Madison, while Ray Steck attended Badger Boys' State at Ripon.

Finally the last and most important year arrived, with Mr. Hall as class adviser. Jerry Liden, Eloice Loughead, and "Red" Markham were elected class officers. To the tune of "Let's Take an Old Fashioned Walk" King "Bud" Ardelt crowned Dorothy Hill as queen of the 1949 Homecoming. A winter formal, "A Dreamer's Holiday," was sponsored by the senior class in January. A good time was had by all who attended. Under the direction of Mrs. Gertrude Kuehn, the senior class presented the play, "Junior Miss," Judy, junior miss, was ably characterized by Yvonne Enright. The D.A.R. Good Citizen award was given to Edith Rye.

The senior class, ardent supporters of the student council, did much toward its organization. The representatives of the class to the council were Edith Rye, Jerry Liden, and "Bud" Ardelt, with the latter elected president of the organization.

As graduation time drew near, we, the members of the senior class felt a deep regret in leaving the school where we had spent four of the most pleasant years of our lives.

COMMENCEMENT EVENTS

Baccalaureate — Sunday, May 28

Class Night—Wednesday, May 31

Commencement—Thursday, June 1

THE JUNIOR CLASS

The progressive junior class elected the following slate of officers for 1949-50: President, Harry Ambrose; Vice President, John Adsit; Secretary-Treasurer, Diane Krejci.

Under the able guidance of our class adviser, Miss Kanable, we took an active part in school activities, sponsored mixers, donated money toward the new basketball uniforms and helped organize the Student Council. The following were elected to the Student Council representatives: Harry Ambrose, Donna Baker, Miriam Chapman, and John Adsit; Vice representatives are Nancy Thayer and Bob Shuman.

"South Pacific" was chosen as the exotic theme for the Junior Prom which was held April 21, with Dave Spot's orchestra furnishing the music. A point system was set up for selecting the Prom court whereby all juniors have an equal chance of being chosen. Judging will be on the basis of scholastic standing, activities, popularity, personality, and poise. Prom King Harry Ambrose chose Donna Adelman to reign with him as Prom Queen. The Prom climaxed a highly successful year for the junior class.

THE SOPHOMORE CLASS

The sophomore class of 1949-50, with Mr. Garriott as its adviser, elected Jim Fetherston, President; Duane Mason, Vice President; Donna Sherwood, Secretary-Treasurer. There are about sixty-five members in the class which therefore entitled it to three representatives on the Student Council.

A few of its activities during the year were sponsoring mixers and candy sales and taking charge of some of the pep meetings. One of the most unique pep meetings presented this year was sponsored by one of the sophomore English classes. It represented St. Peter and the Devil having a Judgement Day with the Whitewater basketball team and the opposing team as candidates for admission. The class also worked hard on a Homecoming float having the theme "We'll Fly Over Burlington" which placed second in the contest.

THE FRESHMAN CLASS

On September fourth, 1949, one hundred and four freshmen, some big, some small, but all definitely green, entered Whitewater City High.

At the first class meeting we elected our class officers: President, Stephen Ambrose; Vice President, Earl Wohlust; Secretary, Rosa Lou Storck; Treasurer, Elizabeth Ann Roe.

Our representatives on the student council, newly organized this year, are: Wallace Peterson, Stephen Ambrose, Elizabeth Ann Roe, and Marilyn Monn. Vice representatives are Shirley Briese and Nathan Schneider.

With Mr. Thayer as our class adviser, we are now coming to the close of a very successful year and are looking forward to three more years at Whitewater City High.

The newly organized student council of City High is a result of a petition circulated during the beginning weeks of school. As school-wide interest was shown, five class officers with Miss Kanable and Mr. James, attended a regular meeting of the Janesville Student Council on October 4. The following day, a general assembly was called to acquaint the student body with the operations of a council. The assembly was dismissed to class meetings to elect representatives to draw up a constitution. Representatives, numbering two from each class, included

the following: Jerry Liden, Edith Rye, Harry Ambrose, Donna Baker, Delores Chamberlain, Kay Cummings, Steve Ambrose, and Wally Peterson.

Copies of the constitution were distributed to the student body on December 12. The constitution was ratified by a unanimous vote of the students.

The constitution provides for an election of representatives by classes, according to the population of each class. The following fifteen class representatives were elected to the council: Freshmen: Earl Wohlust, Marilyn Monn, Wally Peterson, Steve Ambrose, Elizabeth Roe; Sophomores: Pat Bartelak, Kay Cummings, Delores Chamberlain; Juniors: Harry Ambrose, John Adsit, Donna Baker, Miriam Chapman. Seniors: Edith Rye, Jerry Liden, and Bud Ardelt.

Mr. Garriott, the appointed adviser, met with the Council members at the first regular weekly meeting on January 12. The following officers were elected by a secret ballot and compose the executive board.

President—Bud Ardelt

Secretary—Miriam Chapman

Vice president—Jerry Liden

Treasurer—Harry Ambrose

A suggestion box was placed in the study hall as a means of students voicing their opinions and desires for matters to be brought before the Council. The Council through its four standing committees (Noon-hour, Service, Ways and Means, and Publicity) has taken definite steps toward the betterment of our school.

Various matters including assembly programs, selection of the Junior Prom and Homecoming Court members, support of a pep club, and a good citizenship campaign which included locker inspection are only a few of numerous matters which came before the Student Council. The Council also organized and directed a program for a P.T.A. meeting in March, at which time this group was informed as to the work of the Council.

Although it has been in operation for only one semester the student council has done outstanding work. Its organization has been a big and important step toward co-ordinating the students and faculty of City High.

This year there has been a change in the publishing of the City Hi Line. It is being distributed to the student body, free of charge, on a monthly basis. The entire production of the paper has been taken over by the staff, as a new mimeoscope and mimeograph machine were purchased for the school.

Edith Rye and Genevieve Scharine were the co-editors, with Miss Dorothy Onsager as the adviser. At the beginning of the year there was a volunteer staff of fifty, but after a short time it was narrowed down to a capable and workable staff of about thirty-five.

In addition to its news stories there were illustrated covers, senior and cadet interviews, sports, activity news, gossip, fashions, announcements, and creative writing by City High students. The staff also took charge of the production of programs for the speech class play and the annual choir concert, as well as duplicating copies of the Student Council Constitution.

The newspaper was supported through a school fund designated for that purpose. Other miscellaneous expenses were financed by the candy and pom pom sale at Homecoming.

THE BAND

The City High School Band had another successful year under the direction of Mr. C. A. Patt. It had a part throughout the year in many high school assemblies and athletic events, and gave excellent musical training to many grade and high school students.

On October 14, which was our Homecoming, the band, in dress uniform, led the parade through town and paraded on the athletic field between halves forming a "B" for Burlington and a "W" for Whitewater.

A pep band, made up of a selected group of musicians, played at football and basketball games throughout the year.

A junior band was reorganized this year to give younger musicians experience. It had a membership of about forty or fifty.

On January 31 the grade and high school students were entertained by a band concert. Some of the special numbers during this concert were a mirimba solo by Kay Spuhler, and a cornet solo by Diane Krejci.

On February 20 ten members from our band played in the Mass Band concert which was held at Lake Mills, with Dr. Sarig, director of the University of Wisconsin band, conducting.

During the spring months the band spent a great deal of time on selections for the Music Festival, held again in Whitewater with City High as the host school.

CHOIR » » CHORUS

This year City High has two vocal music organizations. They are the mixed chorus which has fifty-three members and the newly organized girls' chorus which has approximately forty members. The boys from the mixed chorus put on a minstrel show at the Armory on Hallowe'en. The two choral groups gave a Christmas concert on December 20. On March 25, various members of the two organizations performed at the Music Festival. In May, the band and choruses gave a pre-festival concert. Then on May 13 the two groups participated in the Festival. The mixed chorus sang in Class B, and the girls' chorus sang in Class C.

The choir is very proud of its new royal blue robes with accessories which made the first public appearance at the March P.T.A. meeting.

The vocal music groups are under the direction of Miss Darlene Schenning.

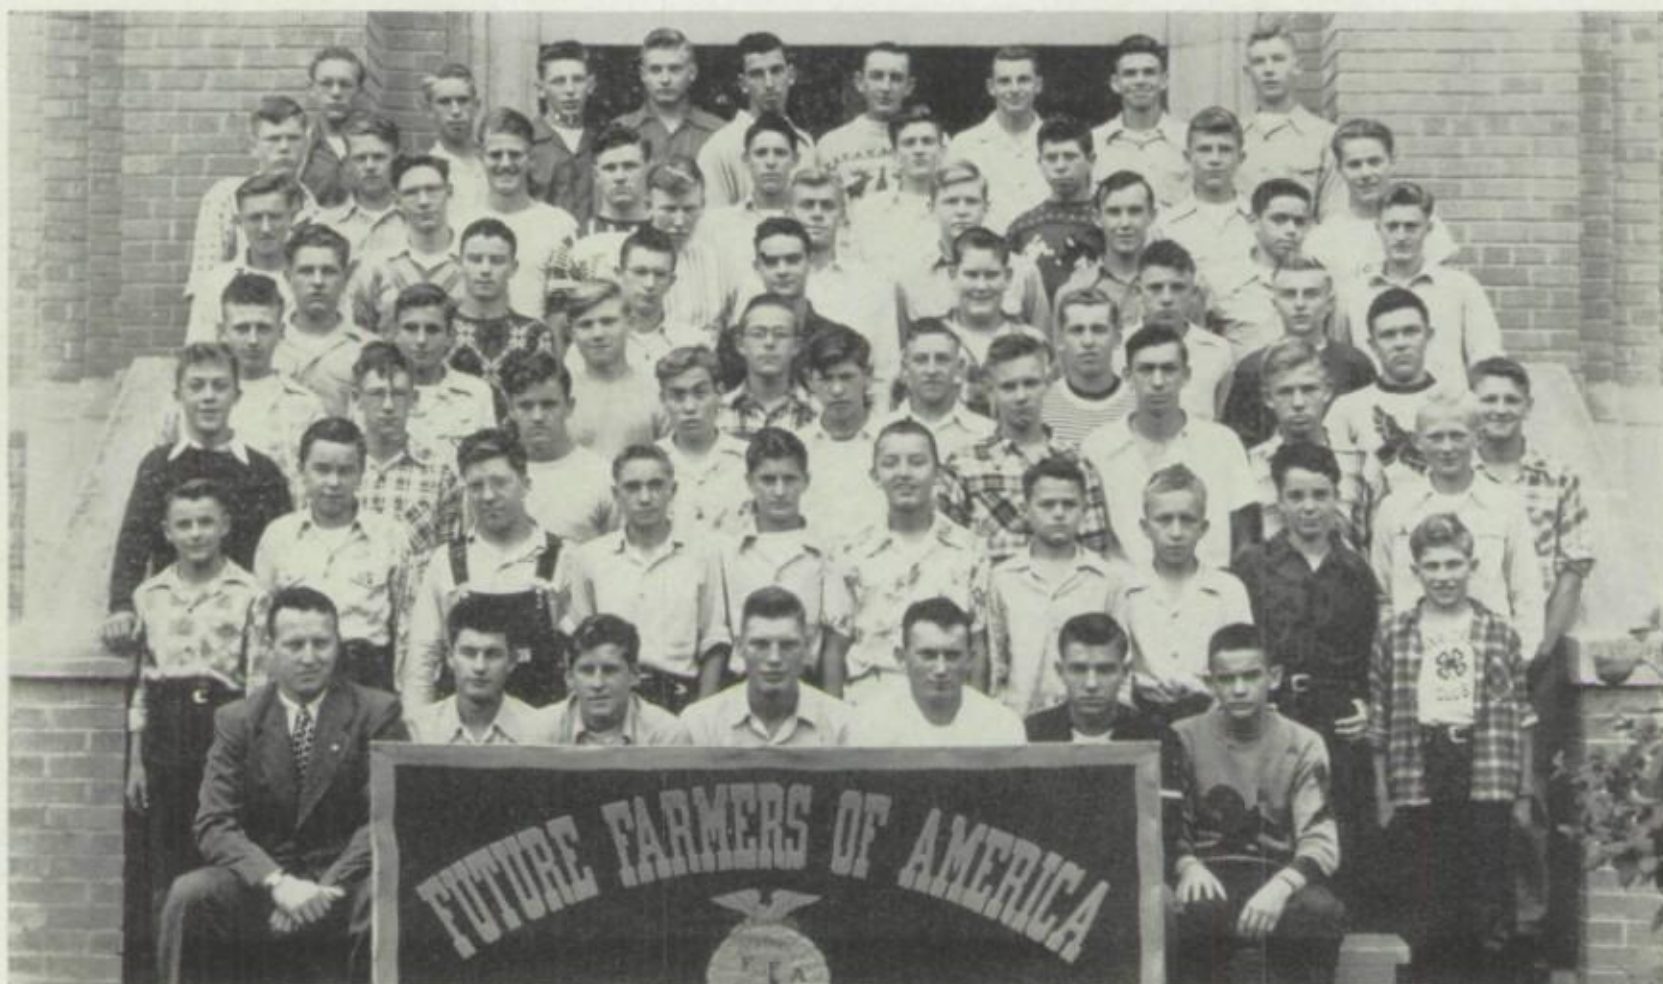

Dear Lyle,
I have enjoyed working
with you during this
year. I will be seeing
you this summer.

THE YEAR IN REVIEW

The Whitewater Chapter of Future Farmers of America, under the advisership of Mr. Thayer, has just concluded a very successful year. There have been many activities which have contributed to the success of the organization. In the limited space allotted us we will endeavor to outline a few of the high spots in the activities of the F.F.A., to which some or all the members have contributed.

Sweet corn project—22 members picked 10 acres of sweet corn in August on the W. T. Roe farm. A profit of \$300 was realized with a little effort and brawn.

Fairs—August was the month of fairs. Many members exhibited their crops, poultry, swine, beef, and dairy projects at the county and state fairs. An education booth was exhibited at the county and state fairs. An educational booth was exhibited at the Walworth County Fair.

8th Grade Party—Just before school started the chapter was host to the 8th grade graduates at the high school.

Community Activities—First, was the planting of 100 large evergreen trees on the campus, athletic field, and the city park. Milk testing, germination, and soil tests were made for many farmers. A cow and sheep clippers was purchased for use among members and other farmers. 5000 seedling evergreen trees were planted by members in the spring.

Trips—The freshmen and sophomores visited the Junior Livestock Show at Madison, the juniors and seniors spent a day at the Case Company at Racine, and three judging teams represented the group at Madison in the spring. There were many field trips made during the year to correspond with the classroom study.

Money—Every organization needs money to carry on its many activities. Our group started in the "red" at the beginning of the year. The sweet corn gave us a big boost. The Christmas card sale went over well with 900 boxes sold, while there were many small scale projects that returned profits.

Basketball—The group played ten games with other F.F.A. chapters. This was climaxed with a tournament here, at which the local boys won the championship.

Banquet—A parent-son banquet was the high-light of the activities for the year, with 200 guests present. A wonderful meal was served by our co-workers, the F.H.A.

F.F.A. Public Speaking—All members participated in a chapter contest with Ken Rowley placing second in the district meet.

Cooperation—A joint F.H.A. meeting with both Waukesha chapters was a great success with an exchange of many ideas. A square dancing party was staged in March. The two groups had a mixed quarter which placed first at the district contest.

F. H. A.

This is the first year Whitewater has had an organization nationally known as the Future Homemakers of America. It was organized under the guidance of Miss Billings. The membership is made up of girls who are in home economics, or girls who have had one year of home economics. Each member is given the opportunity to earn degrees. These are: Chapter-scroll, Junior-key, State-torch, and American-rose.

At the beginning of the year the following officers were elected: Carol Ann Bigelow, president; Eloice Loughhead, vice-president; Nancy Houghton, secretary; and Lois Anderson, treasurer. The officers were installed by the Waukesha F.H.A. chapter.

The afternoon meetings were held every second Tuesday of the month while evening meetings were held the same nights as the F.F.A., every third Wednesday of the month.

For special projects the girls entered a float in the Homecoming parade and sponsored an all-school mixer.

Hi-Y is an outstanding organization with a platform of clean speech, clean sportsmanship, clean scholarship, and clean living.

Hi-Y exists for the purpose of helping boys and young men find their place in the changing world in which they live.

The club which meets twice a month carries on a short and orderly business meeting followed by a recreational program.

The club is fortunate to have such a capable adviser as Mr. Charles Miller, who was honored at a formal initiation at which he was given a jeweled Hi-Y pin which very few advisers have achieved in this part of the

country. The new members were also awarded pins at this banquet. The group has also been aided by advisers from the Whitewater State Teachers College who have proved very helpful.

Officers are as follows:

President Charles Hill
Vice President John Adsit
Secretary-Treasurer Harry Ambrose
Sergeant at Arms .. Eugene Duerst
Program Chairman Ray Steck
Adviser Charles Miller

FORENSICS

DEBATE DECLAMATORY

The debate question for this year was "Resolved: That the President of the United States should be elected by the direct vote of the people." The affirmative team was composed of Edith Rye and Donna Baker. The negative team members were Norma Sauerberg and Carol Ludeman. Others out for debate were Helen Roselle, Roger Roe, and Janet Sikorski. Miss Kanable acted as coach.

These teams had a practice debate with College High on January 18, City High winning both decisions. The negative team also won a practice debate with Watertown the following afternoon.

The Whitewater district debate tournament was held on January 21 at Wisconsin High School in Madison, Wisconsin. The debaters won three out of six debates in competition. As only one of the debaters was a senior, next year's debate team should be even more successful.

ORATORY DRAMATICS

Forensics, or spring speech, interested many students this year. Forensics differs from other activities in that the students participate as individuals rather than as teams or groups as they do in debate and drama contests.

Twenty-five people took part in the local elimination contest which included activities in extemporaneous speaking and reading, oratory, and humorous and serious declamatory.

The league contest was held at Lake Mills where our contestants received four A's and five's B's. "A" winners attended the district contest at Fort Atkinson. Anyone receiving an "A" rating at this contest attends the state contest, which is the final contest in the spring forensics.

JUNIOR MISS

The Senior Class play "Junior Miss" was presented on March 21. The play was a comedy by Jerome Chodorov and Joseph Fields. It was presented under the direction of Mrs. Kuehn assisted by Edith Rye, the student director. The cast was as follows:

<i>Harry Graves</i>	Bob Witt	<i>Barlow Adams</i>	Lyle Pester
<i>Joe</i>	William Vorpapel	<i>Western Union Boy</i>	Russell Fero
<i>Grace Graves</i>	Lucille Nowak	<i>Merrill Feurbach</i>	Norman Pritchett

LIBRARY CLUB

The Library Club was organized this year under the leadership of Mrs. Kuehn with Barbara Polzin as president, "Liz" Enright vice president, Nancy Thayer secretary, and Dick Severson taking over the treasurer's duties. Meetings were held on the second and fourth Wednesdays of every month.

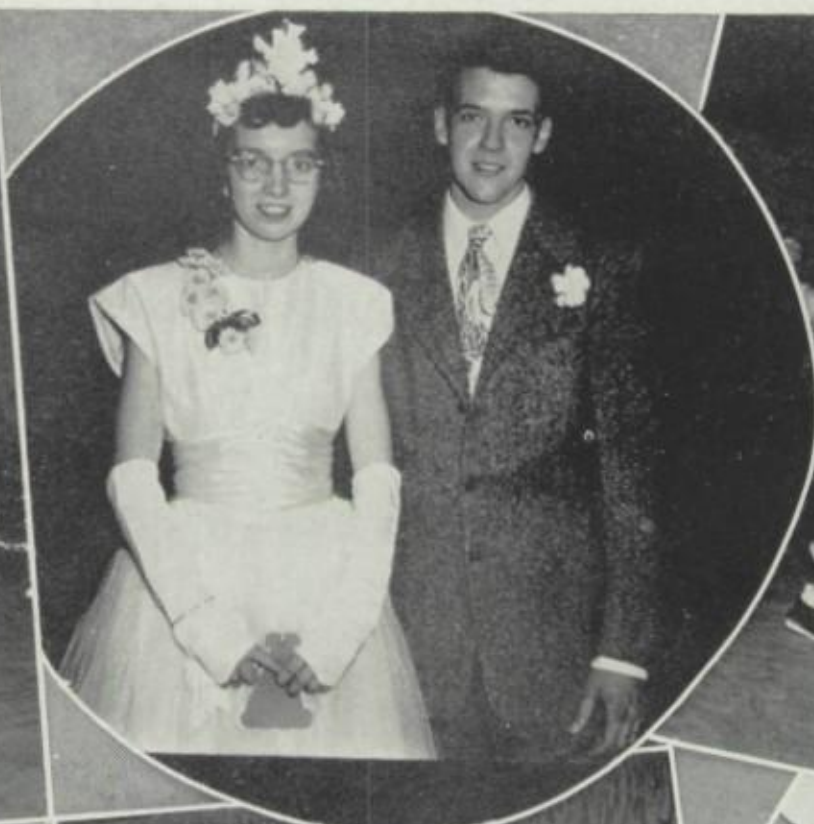

The Library Club has assisted with the reorganization of the library this year and has set up rules for its use. Members acted as librarians during study hall periods.

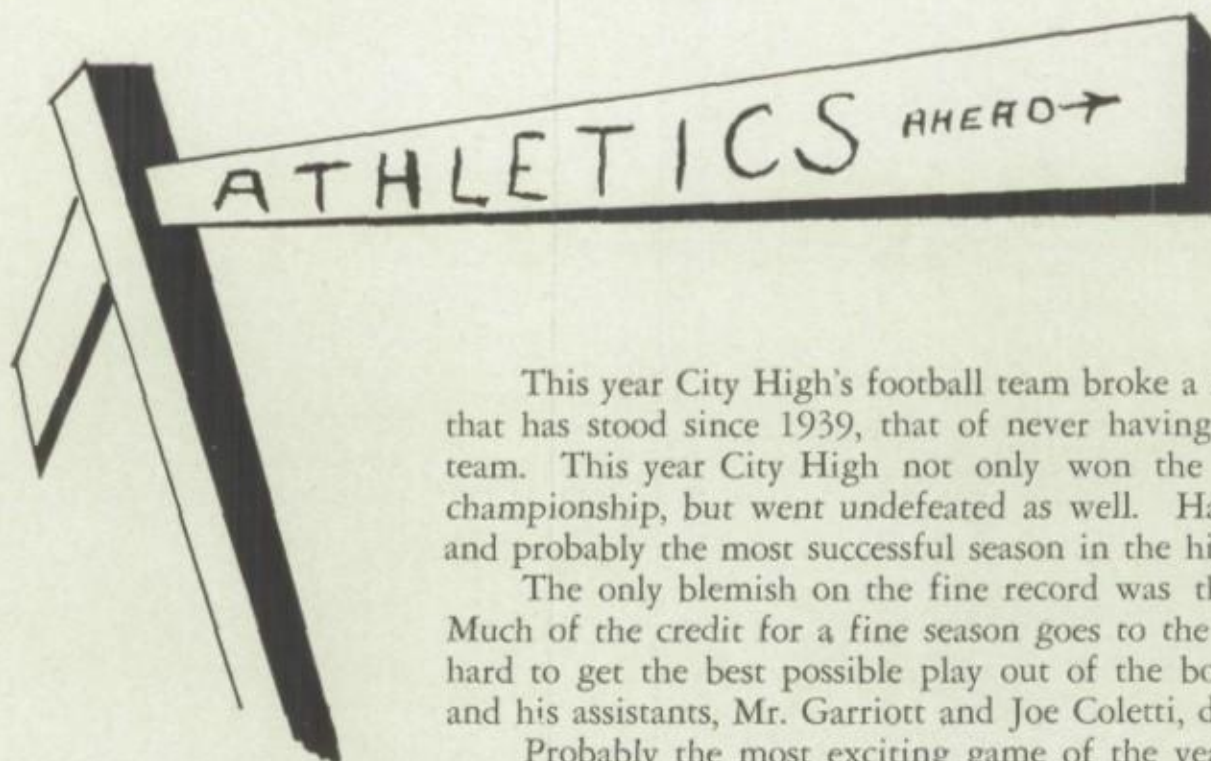

On March 24 the Library Club held a pot-luck supper for its members followed by a mixer in the evening for the general student body.

PEP CLUB

The Pep Club, which is a new organization this year, consists of about 170 members. The object of the club is obvious: to promote pep, good sportsmanship, and school spirit. Any member of the student body may become a member of this club. One of the activities of the club this year was to buy white sweat shirts with "WHS PEP" written in red across the front. These were first worn at the Beloit Basketball Tournament. The officers of the club are:

<i>President</i>	Dolores Chamberlain
<i>Vice President</i>	Pat Fardy
<i>Secretary-Treasurer</i>	Donna Sherwood

This year City High's football team broke a not to enviable record that has stood since 1939, that of never having had a championship team. This year City High not only won the SWANI Conference championship, but went undefeated as well. Hats off to a fine team and probably the most successful season in the history of the school.

The only blemish on the fine record was the tie with Elkhorn. Much of the credit for a fine season goes to the coaches, who worked hard to get the best possible play out of the boys. Coach Crummey and his assistants, Mr. Garriott and Joe Coletti, did an admirable job.

Probably the most exciting game of the year was played at Lake Geneva. The game was undoubtedly a battle for the championship as both teams were undefeated until that time. Played in a downpour which threatened cancellation, Platner threw a pass to Liden who went on to score. It was the only score of the game, with Whitewater winning 7-0.

Boys who received letters in football this year were: Bud Ardelt, Ed Booth, John Coleman, Harry Ambrose, Eugene Duerst, Dale Kelley, William Fardy, Charles Hill, Jerry Liden, Ramon Steck, Robert Witt, Robert Shuman, Jack Platner, Roger Wiley, Jay Leland, Lyle Pester, and Robert Sherwood.

FOOTBALL

The most valuable player award, given by Max Salske, went to Bill Fardy who was also elected the captain for 1950.

Jack Platner repeated as scoring leader of the SWANI conference.

RA!!

Immediately after football season Coach Crummey began to line up material for the basketball team. Platner, Ardelt, Duerst, and Fardy, key lettermen, reported for another season of play.

The 1949-50 basketball season was marked by a large number of close games in which victory was gained near the final whistle or a defeat was registered by a narrow margin.

The following are the results as chalked up on the scoreboard for the season:

◀ B TEAM ▶ ▶ JUNIOR TEAM ▶

The boys of the seventh and eighth grades made up the Junior High team. "Min" Donovan of the college was the coach. The squad consisted of two teams "A" and "B". They played junior high teams from Palmyra, Jefferson, College High, and Lake Mills. If winning games makes a successful season this one wasn't very successful. But it was good experience and lots of fun.

The "B" squad played approximately sixteen conference games and two non-conference ones. Unfortunately the resulting scores all indicated a loss for the Whitewater team. However, the boys gained needed experience under Mr. MacLachlan's guidance and will no doubt furnish much of the material needed to build up next year's "A" squad.

At an early meeting the W Club elected the following officers to guide its affairs for the ensuing year: Gerald Markham, president; Bill Fardy, vice-president; and Jack Platner, secretary-treasure. Coach Crummey was the faculty adviser.

To be eligible for membership in the W Club a boy must have earned a

letter in sports. These letters are given to a boy who has acquired a minimum of 200 points in inter-school competition in athletics.

The W Club this year sponsored a mixer for the benefit of those who were hurt in athletics and did not have their doctor bills paid. They also headed a drive for money to buy the basketball team new uniforms. These uniforms were bought through money given by various organizations and classes.

SPRING SPORTS

Since the Aqualba goes to press before spring sports start, it is only possible to make a few brief remarks concerning them. The golf team is a doubtful participant because of a lack of interest, while tennis is greatly handicapped due to a lack of suitable courts.

The baseball team, with a good number of experienced veterans to depend upon, should have a very active season.

Track again this year has continued to attract renewed interest and to forge ahead as a popular spring sport. Former participants — Jack Platner, Charlie Hill, Dale Kelley, Jerry Markham, Jerry Krahn, Bob Sherwood, Harry Ambrose, Jerry Liden, Fritz Dow, and Ed Brown—together with new material should enable City High to develop some very likely material for inter-school competition.

The Girls' Athletic Association under the guidance of Miss Eckes had a very full and active program throughout the entire year. Because of the large membership it was necessary to schedule two noon meetings a week on Mondays and Wednesdays.

Sports were again played according to seasons with hockey in the fall followed by basketball, volleyball, deck tennis, and baseball.

For social activities the G.A.A. had charge of the arrangements for the Homecoming dance and sponsored a dance of their own, the Gingham Ball, on March 17, a turnabout date affair with the gym decorated in honor of St. Patrick's Day and music furnished by the Stardusters.

The girls who served as officers this year were as follows:

<i>President</i>	Yvonne Enright
<i>Vice President</i>	Dola Fetherston
<i>Secretary</i>	Shirley Smith
